NEW!

The American Metal Collection™ Die-cast Model Kit Series Celebrates the Beauty, Style, and Power of America's Great Automotive Classics.

Each kit features a professionally painted metal body, lots of chrome plated parts, detailed engines and interiors, finished off with chrome wheels and wide-whitewall tires. They are easy to assemble with minimal gluing and a small screwdriver and build into a beautiful replica.

Cadillac, Eldorado, Chevrolet, Special Deluxe, Oldsmobile, 88, all related Emblems and vehicle model body designs are General Motors Trademarks used under license to CMW Holdings, Ltd.
